PRELUDE

Maharashtra was one of the first states in the country to realise the importance of human resources development. The early sixties witnessed the establishment of the Administrative Staff College (ASC) in Mumbai, under the inspiration of former Chief Minister of Maharashtra and Deputy Prime Minister of India, Shri Y B Chavan. In 1984, it shifted its location to Pune, and was named the Maharashtra Institute of Development Administration or MIDA. Its main objective was to serve as the apex body in the promotion and development of modern management science, and function as the nodal state level training institute in the field of development administration. After six successful years, on the 26th of November, 1990, MIDA graduated into an Academy with a new name… YASHADA.

Objectives of the Academy

The objectives of the Academy as listed in its Memorandum of Association (MoA) are as follows:

❑ To promote modern management science as a major instrument for development of economic and social activities of the State Government, Zilla Parishads and other institutions and organisations of the State Government.

❑ To develop managerial skills, organisational capability, leadership and decision-making ability for development planning and efficiency in implementation of policies, programmes and projects.

❑ To carry on operational and policy-oriented research, to evolve ideas and concepts appropriate to the local, state and national environment, and to formulate policy alternatives.

❑ To serve as the apex institute for the collection and dissemination of information regarding development administration.

❑ To foster, assist and support individuals, organisations and institutions in the use of management science.

❑ To provide consultancy services in development and public administration.

❑ To function as the nodal State-level training institute in the field of development administration.

Mandate of the Academy

In order to achieve the above objectives, the Academy conducts the following activities:

Types of Activities :

❑ Training programmes of short and long term duration including seminars, workshops, and conferences, as a means of continuing education for practicing managers, administrators and scientific and technical cadres;

❑ Policy oriented and operational research;

❑ Consultancy and extension services; and

❑ Publication and production of training aids.

Subjects and Areas of Activities

❑ The programmes may cover all concepts, principles and techniques related to management in government.

❑ The programmes may cover all functionaries of the departments of the Government of Maharashtra, as well as teachers and practitioners of management in boards, corporations and other public sector undertakings, in all sectors such as business and industry; commerce and trade; financial and industrial development; banking insurance; cooperatives; agriculture and rural development; forestry; fisheries and animal husbandry; irrigation and power; energy, transportation and communication; education and health services; entrepreneurial development; mass media; tourism and public relations; legal systems; police administration; taxation; urban systems; environment habitat; public works; roads and buildings; appropriate technology; non-organised, decentralised sectors of economic, social and political activity, especially, persons from institutions, bodies and organisations concerned with the use of knowledge in management.

Organisational Structure of the Academy

The management, supervision and control of the Academy is vested in the Board of Governors (BoG), comprising :

The position of the personnel in YASHADA as on

31/03/2010 is given elsewhere in this report and is divided into two wings - one Academic and the other Administrative.

Activities of Academic Wing

The constituent institutes, centres and cells of the academic wing are mostly mandated to carry out activities which could be classified into four categories as below :

- Training Programmes

- Research

- Consultancy and Extension Services

- Publications

Training Programmes

This includes design and conduct of various types of training programmes as per :

❑ Requisitions made by various departments of Government of Maharashtra, Government of India and Other Sponsoring Agencies.

❑ Directives from Board of Governors and Executive Committee Members; and

❑ Feedback received from various sources including the evaluation reports of the training programmes conducted previously.

❑ The mandate provided in ToR of sponsored research and consultancy projects which culminate in designing of training modules and it's validation and successful running.

The various types of training programmes include refresher / orientation courses, foundation / induction courses and workshops / seminars / conferences / symposia. Usually, most of the non-sponsored training courses are conducted using the Academy's funds procured mainly as grants-in-aid from the Government of Maharashtra. Efforts are always made to conduct more training programmes sponsored by different agencies including international funding agencies and various departments of central and state governments. List of training programmes conducted during 2009 - 2010 are given in Appendix 2 elsewhere in this report.

The total number of training programmes conducted during the year 2009-10 was 2002, which was higher than the annual target of 1200 training programmes. The number of training programmes conducted and their attendance rate for the last fouteen years is given below.

The training related performance of the Academy is summarised by Training Planning & Monitoring Cell elsewhere in this report.

Research

The Academy is required to carry out research related to formulation, implementation, monitoring and evaluation of development schemes, projects and programmes. Usually, the research activities carried out by the Academy on its own are aimed at enriching the content and methodology of training programmes. During this year the Academy was entrusted with several research projects on various subjects which were sponsored by reputed state, national and international level agencies.

Since 2004, a well equipped centre namely Research and Development Centre has been established for procuring sponsorship for research projects, carrying out research activities and documenting and preparing research reports. The Academy's institutes and centres achieved tremendous growth and development in this respect in last few years.

Consultancy and Extension Services

The faculty members of the Academy are involved in various decision-making committees and advisory bodies of reputed government/non-government organisations. For the past many years, the Academy has been entrusted with the work of developing and monitoring Gram Sevak Training Centres (GTCs), Panchayati Raj Training Centres (PRTCs) and Composite Training Centres (CTCs) located in various parts of the state.

In the recent few years, the Academy had extended capacity building activities in various regional and departmental training institutions through the UNDP-DoPT, GoI sponsored projects and MoUs with the institutions. The Regional Training Centres at Paithan, Amravati, and Nagpur and BARTI, Pune were extended upgradation services by the Academy.

Publications

The Academy has the mandate to disseminate information related to various areas of public and development administration and management in government. Since the past four years, the Academy has been publishing two quarterly journals ‑ Ashwattha (English) and Yashmanthan (Marathi) and several books related to development administration. A full fledged Publications Cell has been functional in the Academy since last one decade, which is equiped with in-house editing, desk top publishing and sales counter facilities.

The institute/ centre / cell - wise detailed account of the training, research, consultancy and publications related activities of the Academy has been presented in the Annual Academic Report.

Activities of the Administrative Wing

The administrative wing is headed by the Registrar and works directly under the control and supervision of the Director General. Various sections of the wing directly or indirectly provide all the support services required for training, research, consultancy and publications related activities carried out by the Academy. It provides the following services :

- Recruitment of personnel and establishment matters,
- Finance and maintenance of accounts,
- Maintenance and regulation of services of contractors and suppliers,
- Purchase and store keeping,
- Transport,
- Registration and despatch of correspondence,
- Telephone exchange,
- Maintenance of hostel, mess, sanitary and medical services,
- Security, and
- Estate management,

Introduction

Center for Public Governance strives to accomplish the task of making, 'Common citizen the focal point of governance.' The mission of the CPG is 'to develop the culture of service within the framework of rule of law'.

To achieve this goal, CPG undertakes numerous activities; imparting training to achieve the goal of good governance being the primary one. In addition, CPG undertakes research on various issues, projects, consultancies and dissemination of knowledge about governance to various groups of the citizen.

Objectives

❑ To acquaint the newly inducted officers with the dynamics and complexities of governance.

❑ To acquaint the in-service officers with the latest developments in the field of governance.

❑ To study and do research on various issues which have bearing on the governance.

❑ To undertake projects and consultancies related to good governance.

Training Activities

During the year under report 175 training courses were conducted for various regulatory authorities & officers from development administration. Total 3291 officials were trained. The training activities of CPG include Foundation, Refresher, Induction and Outreach training programs for state & central government officers & officers & staff of public sector enterprises and government institutes.

Foundation Training

A number of officers are recruited to various cadres such as Deputy Collectors, Tahsildars, BDOs, Finance Officers, Sales Tax Officers and so on. At the entry stage itself, these officers are trained in the nity-gritty of governance, so that they are well equipped to face the challenges ahead. In the year 2005, BOG of YASHADA approved a concept paper on "Foundation Training" program of 45 days duration, which is guiding principle for designing foundation courses.

In the current year, 12 Foundation training courses were conducted, which include one course for 2009-11 batch of Maharashtra cadre IAS Officers. This year 7 IAS officers joined Maharashtra. Commissioner of Agriculture requested Yashada to conduct foundation training course for newly recruited Group A & B (25) officers of Agriculture Department. The course was carried out in September - October 2009. Two Induction courses were also conducted for Finance and Accounts officers.

Outreach Programmes

1. Konkan Krishi Vidyapeeth:

Vice Chancellor, Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, requested Yashada to conduct training course for their staff & officers on its campus at Dapoli. A systematic analysis of present system & practices in vogue was carried out. Two workshops were arranged to finalize area of training. Much efforts were necessary to prepare the training / reading material for the client organization, keeping in view the levels of staff, rules & regulations of University & fact that no formal training was given to them at any moment of time.

Two simultaneous six-days training courses were conducted in the Agriculture College, on the same campus, which were participated by 60 members of staff & officials in January 2010.

2. Other Outreach training programmes

Yashada has entered into agreement with few state / sub-state level training institutes in the state for carrying out training activities for the employees & officers in the state, more particularly at region & district level. DG / DDG are members on the Governing Council of the Institutes.

Training facilities available at Mahsool Prabodhini at Nashik, Aurangabad and Dr. Punjabrao Deshmukh Prashaskiya Prabodhini, Amravati are made available for various Yashada outreach-training courses. A ToT course was carried out at Amravati for trainers in Amravati & Nagpur region. These courses were sponsored by various Government Agencies / Corporations.

Projects / Sponsored Courses

1.   Jawaharlal Nehru Port Trust (JNPT):

A Curriculum workshop to finalize 13 training modules that emerged as a   result of a TNA exercise was organized at MDC, Yashada on 5th May 2009. These training modules cover entire spectrum across all cadres & services of JNPT. Training courses are expected in the near future.

2.   Labour Boards:

A surprising demand for training of staff of 8 different labour boards came up to Yashada to train their staff in different skills & area of knowledge. The 8 mathadi boards are sort of regulatory functionaries looking after the welfare of the Mathadi (labours) working in cloth, goods transport, grocery, railway goods yard, iron & steel, metal & paper, shops, dock & cotton markets. For years the accounts of the many boards are incomplete. The employees were never given training of any sort. The present management took decision to provide initial training in few areas like bookkeeping, office administration, and managerial skills.

A four-days training was arranged at Yashada in March 2010. Training in managerial aspect & bookkeeping refreshed participant's minds & appealed their intellect. Time was the only constraint. However ingenuousness & skill of the faculty to smoothly transfer the knowledge to the participants helped to achieve the objective of providing necessary knowledge input. The Labour Department of GoM, while approving the training course, put condition to take a test at the end of the course. All the participants succeeded.

3.   DoPT Sponsored Courses

Department of Personnel & Training, GoI is the coordinating & monitoring authority in the field of training. The department has published, ' National Training Policy'. The policy supports training activities of the ATIs in the country. In the year 2009-10, DoPT sponsored 40 state level training courses to be conducted at Yashada / regional training institutes. This activity supports training efforts of State government & YASHADA .

In addition to this, DoPT sponsors National level training courses to be conducted at Yashada. Seven such courses were conducted in the year 2009-10. The courses include DTS, DoT, Distance Learning Methodology, Facilitation Skills, Management of Training, Training Need Analysis & Experiential Learning Tools. Government officers, bank officers, officers in railway, post & telegraph & officers from different central & state cadres attended the course. Recognized Trainers (Users) & Master Trainers approved by DoPT, conduct the courses.

MAHAGENCO, a company established by Holding company, (MSEB)

requested Yashada to conduct a training course on TNA for their Engineers. This state level sponsored course was conducted in January 2010.

4.   Certificate Courses

Yashada has approved policy to conduct certificate courses. Four certificate courses in Managerial Skills were conducted for different State government departments.

5.   Skill Enhancement

Sales tax is the prime department of the State government. Major revenue of the state is garnered by the department. Four managerial skill enhancement-training programmes were conducted during the year for Sales Tax officers, Assistant Commissioner of Sales Tax etc.

Training Need Analysis Exercises

❑   **Maharashtra State Warehousing Corporation:**

MSWC is a statutory body established by a central Act. Chairman & Managing Director of the Corporation approached Yashada to conduct Training Need Analysis of the organization so as to pin pointedly address the training needs of the employees & officers of the Corporation. 18 workshops were conducted in different parts of the State. A meet with employees, officials, stakeholders, clients & citizens was possible through the workshops. The primary report was ready by the end of the year. It is expected

to be finalized it by May-June 2011. Training courses could be conducted in the later part of 2010-11.

❑ **Rajbhavan, Mumbai:**

Secretary to the Governor requested Yashada to carry out TNA of the organization to precisely bring out training requirements of the organization. A report has been submitted to H.E. Governor of Maharashtra, after necessary study.

National Conference of State Administrative Training Institutes

Lal Bahadur Shastri National Academy of Administration & DoPT desired Yashada to arrange training- cum-exposure visit for the Heads of training institutes in the country. The objective of the visit was to view progress made by Yashada, understand the secret of it's rise as a training institute of international repute, observe preparation of training material & course content & watch actual conduct of training course for the national training programmes. The issue of strengthening ATIs & district training institutions & providing 1.5% of salary funds by the State government was also discussed at large. Need for greater cooperation & co-ordination between ATIs in the country & national institutes was emphasized. The conference was graced by presence of Minister of State for Personnel, Public Grievances & Pension, Shri. Prithviraj Chauhan. In his valedictory lecture he referred to the issues raised in the conference regarding providing untied funds to ATIs, creation of National University for Administrative Science & providing greater autonomy to ATIs. He also talked on issues raised like creation of a national council for capacity building by involving Planning Commission. He agreed to the look into the issues raised by the Conference.

International Training

On the wake of rise of Yashada as a training institute of excellence of international repute, World Bank requested Director General, Yashada to explore the possibility of training, Heads of training institutes of local government in Pakistan & Bangladesh. A three-day training-cum-workshop was arranged at Grand Hayatt, Irwan, Bangkok between 12th & 15th November 2009 with a preparatory meeting. Sixteen officers cum trainers representing nine training institutes in the Sub-continent, attended the training. Two Yashada faculty made five presentations on, 'Developing appropriate

training content', 'Delivery of content in effective way', 'Organizational Management', 'Financial Modeling' & 'HR Process', followed by discussion amongst groups.

The primary objective of the workshop was to learn from Yashada to improve upon quality of training provided in the Local Government Training Institutions in Pakistan & Bangladesh. Training environment in India, National Training Policy & measures adopted by GoI & State government to ensure governmental machinery to the dynamics of development on one hand & response to socio-economic aspirations of citizen on the other was explained & discussed by Yashada faculty. Yashada faculty also briefed on, 'Trainer Development Programme', its implementation through various training modules & effectiveness of the medium referred to develop capabilities of officers / faculties as a trainer.

A focused discussion on quality of training provided at Yashada was arranged. While facilitating detailed discussion with the trainers in Pakistan & Bangladesh, Yashada elucidated how it ensures participant's involvement in the course, open their minds for new area of knowledge, attempt skill development & attitudinal change & finally encourage group work for finding solution to the issues & problems raised / faced by the officers, themselves.

The institutional development of Yashada as a institute of international repute was the focal point. Sustainability of development of any training institute much depends on the vision embraced & pursued & financial modeling adopted. Linkage between creation of new assets to cope-up with diverse demands for more research projects & training intervention gives rise to cyclic development. Policy decisions to outsource services, automisation & use of advanced technology on one hand & maintaining quality of training, knowledge input, right fusion of outreach & in-house training courses & periodic review of progress of projects were cited as some of the bottom lines observed by Yashada. The participants were keen to understand the process & development through which Yashada made the progress.

At the closure, participating Local Government Training Institutions of Pakistan & Bangladesh prepared action plan for their own institutions. Functional autonomy, improvement in the training & facilities & independent evaluation received top priority. The participating countries look forward to Yashada for strategic support. A need for strong regional network of training institutions of SAARC countries was once again reiterated.

State Institute of Rural Development

Contact:

Mr. N. P. Mitragotri
Additional Director
Tel.: (020) 25608118

Introduction

The State Institute of Rural Development (SIRD), previously known as the Center of Rural Studies has been an integral part of YASHADA since its inception. It is jointly funded by the Ministry of Rural Development, Government of India and Rural Development Department, Government of Maharashtra.

Mission

Rural Development is one of the important components of YASHADA's mission. At the State Institute of Rural Development, we firmly believe that development can only be achieved by building human capital. Today, in the rural sector, there is vast unfulfilled scope for doing so by way of capacity building of officials of government department and of the Panchayati Raj institution, NGOs and other professionals in the agriculture and animal husbandry sectors, in co-operation, rural micro finance and self-help groups.

Mandate

SIRD is committed to capacity building, research and consultancy in the entire spectrum of development activities in the rural sector. Documentation of innovation work done also forms an important part of our mission. Our training programmes are intended to create a knowledge base, to disseminate information so gathered and to develop the human resource management skills and the financial project management skills, which are so important to success in a wide variety of tasks. For government officials in particular, our focus is on sensitizing them to the importance of community participation and to their role as facilitators in the developmental process. We also emphasis the need for convergence across departments and the importance of co-ordination among agencies for success in development works. In addition to the conduct of training progrmmes, we also disseminate information through journals, books, reports, newsletters, CDs, Films and other publications.

Main themes of Training

❑ Backward Region Grant Fund (BRGF)

❑ State Action Plan (SAP)

❑ Integrated Watershed Management Programme

❑ Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA)

❑ Community Participation and Micro Planning.

Current projects

Backward Regions Grant Fund (BRGF) Programme

After the 73rd and 74th amendment of the Constitution of India Local Self Governance has become indispensable part of the governing system in India. The Constitution provides for the devolution of powers and responsibilities to Panchayats including the 29 subjects listed in the Eleventh schedule. The capability of Panchayats to effectively perform the responsibilities entrusted to them needs to be ensured. Each Panchayat or Municipality within the backward districts concerned is the unit for planning under BRGF. Capability building of Panchayats and ULB's for planning and implementation is a critical component of BRGF. SIRD being nodal agency for BRGF is playing a leading role to identify capability building needs and other components relative to National Capability Building Framework.

As per BRGF – NCBF (National Capability Building Framework) following components are being implemented by BRGF Cell, SIRD.

Key activities during 2009 – 2010

1. **Induction course for Master Resource Persons:**

   BRGF cell has developed training module on village level micro planning. The training of trainer's programmes were conducted at village level at 9 districts for 8 days duration. As per the guidelines of BRGF, an induction course for master resource persons was conducted for 634 master trainers. They are being provided with necessary inputs as per necessity.

2. **Foundation course:**

   Under foundation course 729 training programmes were conducted in 12 districts and 40695 participants were trained. As per the guidelines of BRGF the Training Need Analysis (TNA) of elected representatives and officials of

PRIs was conducted and a course module is developed for training the elected representatives and officials of PRIs.

3. Functional literacy course:

The Directorate of Adult and Continuous Education, Government of Maharashtra and State Resource Center Government of India in Pune and Aurangabad have been consulted. The operational details for organizing the functional literacy course for 30000 illiterate and semi literate have been worked out in 12 BRGF districts.

4. Building ICT Skills:

4832 Gramsevaks have been trained in handling computers in 5 days duration course through MKCL's (Maharashtra Knowledge Corporation Ltd) recognized MSCIT training institutes. The first round of training of Gramsevak and village level government officials for training in ICT skills has been completed.

5. Formation of network of PRIs for experience sharing:

Detailed guidelines for formation of network of PRIs have been worked out on the lines of Mahila Shakti Abhiyan and Panchayat Yuva Shakti Abhiyan, further action is in progress.

6. Satellite Based Training:

The construction of studio for virtual training through Satellite Communication is ready with equipments at SIT (Satellite Interactive Terminal) level. The process will be initiated soon after the installation and commissioning of SIT's is completed. The construction of studio for training through satellite communication is ready. Most of the equipments are received at SIT level.

7. Strengthening of Intermediate Panchayat Level Extension and Resource Centers (IPERC):

The Block Development Officers have been requested to keep the Panchayat Samiti meeting halls in readiness for strengthening the IPERC, with items like Laptop, Computer with accessories, office tables & chairs, water filter with water cooler, washbasins with mirror & hand dryer, public address system, mini diesel generator or inverter, Internet broadband connectivity, multifunction devices (Fax, Xerox & printer).

8. Help line

A toll free telephone help line (1800 233 3456) for providing the information/clarification relating to rural development has been installed in YASHADA, Pune. The data pertaining to number of calls, time of the call, destination, caller name, small queries and answers, Taluka wise district wise & village wise calls received are generated through software developed for this purpose.

9. Certificate Course in Panchayati Raj:

BRGF cell has developed a module for a formal certificate course in Panchayati Raj to the selected elected representatives and officials of Panchayati Raj Institutions in the state. This certificate course is of 6 months duration. It will be started by October 2010.

10. Use of Radio / T.V. channel for awareness creations:

BRGF cell has prepared 4 audio jingles and spots on following subjects -

❑ Grampanchyatichi Bhumika.

❑ Gramsabhechi Sankalpana.

❑ Loksahbhagi Niyojan.

❑ Jababdarpana ani pardarshakta.

These spots and jingles are broadcasted for a period of one year through All India Radio in 12 BRGF districts during the evening programme on Agriculture & Rural Development on daily basis from 7:15 To 7:45 pm. Similarly the same jingles and spots are being broadcasted from 6:00 am To 10:00 pm on every half hourly basis through a computerized public address system installed in district level Maharashtra State Road Transport Corporation Depot's in BRGF districts whenever the facility is available.

11. Circulation of Panchayati Raj Newsletter:

The "Gramyashwarta" a monthly newsletter is circulated to all the GramPanchayats in 12 BRGF districts, all Panchayat Samiti, Zilla Parishad members, MLA's, MP's in BRGF district and senior officers of the government.

12. Gramsabha level campaign:

The Chief Executive Officers of Zilla Parishad in 12 BRGF district have been provided the detail guideline for organizing village level campaign. The CEO's have been requested to organize these campaigns in convergence with other district level campaigns arranged for different subjects.

State Action Plan (SAP)

In the context of the 73rd Constitutional Amendment, the Ministry of Rural Development & Ministry of Panchayat Raj,

Government of India launched a training programme for all Panchayat Raj Functionaries through out the country with the objectives of equipping them to discharge their duties more effectively and also enable them to communicate better with people and to mobilize popular participation in the development process. SIRD has developed and implemented this comprehensive State Action Plan for training of more than 2.5 lakhs PRI Functionaries in the state of Maharashtra as a part of the National Action Plan.

SIRD has designed two training modules for Panchayati Raj functionaries' viz., under SAP:

1. A three-day module for Zilla Parishad and Panchayat Samiti Members.

2. A two-day module for Gram Panchayat Members & Gramsevaks.

Both modules target the PRI representatives as leaders, service providers and facilitators of development. These modules attempt to orient them to new approaches in planning, financial management, tools of information technology and development through people's participation. They include skill-building sessions on leaderships, negotiation & communication skills and micro planning techniques. They also provide information about Right to Information Act and Government rules and regulations. The modules developed for Gram Panchayat Members also includes inputs on subjects like Watershed Development, Drinking Water Supply in villages, Public Health at village level, and the National Employment Guarantee Act 2005 etc. Both modules utilize a variety of training methods like lecture, group work, films, game, psychometric methods, case studies and role play etc. in order to achieve maximum impact.

GTCs /PRTCs and CTS

They are very important training centers related closely to YASHADA since last about 20 years.

A. Gramsevak Training Centres (GTCs)

GTCs are 9 number and working under the Rural Development Department, Govt. of Maharashtra, with administrative control of Divisional Commissioner and academic support of YASHADA. GTCs are established to train the Gramsevaks working in the Grampanchayat but under the ongoing State Action Plan (SAP) they undertake the training programmes of Sarpanchas and Gramsevaks. In year 2009-10, Gramsevak Training Centers trained **5719** Gramsevaks, Sarpanchas & some functionaries. Out of these 9 GTCs, 8 GTCs (Except Sindhewahi, Dist. Chandrapur) are recognized as ETCs (Extension Training Centers) by the MoRD, GoI. These centers are for eligible recurring grants to the tune of Rs. 10/- lacs per year and also Non-recurring grants as per necessity. In the year 2009-10. ETCs received Non-Recurring grants to the tune of **Rs. 91.24** lacs as first installment out of the total sanctioned grants of Rs. 158.67 lacs. YASHADA played vital role in getting these grants. Also Non-Recurring grants to TWO Centers to the tune of Rs. 31.33 lacs were sanctioned in 2009-10 by MoRD, GoI.

B. Panchayat Raj Training Centres (PRTCs)

PRTCs are 11 in number and run by Non Government Organizations (NGOs) working in educational field and are funded by RDD, Government of Maharashtra and function with the academic support from YASHADA. These institutes have the mandate of training of sarpanchas and Grampanchayat members. Panchyat Raj Training Centers trained **21485** V.P.Members in the year 2009-10.

C. Composite Training Centre (CTC):

There is only one Composite Training Centre in the State established by NGO and located at Gargoti in Kolhapur district, which is funded by RDD, Government of Maharashtra. The CTC is engaged in training the officers in Extension Officer cadre working at Panchayat Samiti level. Composite Training Center trained 820 Extension & Desk Officers from the various Z. Ps in year 2009-10.

WATERSHED DEVELOPMENT AND MANAGEMENT CENTRE

Introduction

"Watershed Development and Management Centre" [WDMC] is one of the centre under State Institute for Rural Development [SIRD], established in **September 2004** with a view to build the capacities of different stake holders and policy advocacy support to in the state of Maharashtra.

Objectives

❑ To undertake capacity building of all stakeholders.

❑ To develop an effective network in watershed development activities.

❑ To ensure Employment Guarantee Schemes as major resource of funds in building watershed development activities.

❑ To conduct action research and evaluation studies in selected watersheds and suggest ways of effective implementation.

Projects

Government of India has issued the common guidelines 2008 for watershed projects to be implemented after **1**st **April 2008**. YASHADA proactively initiated the steps to pass those guidelines towards stakeholders in the state of Maharashtra. During the year 2008, Yashada has organized the brainstorming workshop for policy makers and submitted the Study Group Report followed by Methodology for appointment of appropriate personnel at Vashundhara [VSLNA] as well as District Watershed Development Unit [DWDU] to the State Government. Yashada also submitted the proposal to DoLR for capacity building of Policy Makers, District Administrative Officers and Master Trainers from line departments and voluntary agencies in the state. **The DoLR has given sanction to 16 programmes with financial support of Rs. 33.60 Lacs.** Since 2008, we are actively involved in capacity building of different stake holder's viz. Policy Makers, Administrative Officers as well as Master Trainer's regarding **"Common Guideline-2008 for watershed development"** in the state of Maharashtra.

During the year 2009-10, we conducted **20 programmes training 766 participants,** which include Policy Makers, Administrative Officers and Master Trainers etc on common guidelines 2008 for watershed development.

Research Studies

The Department of Land Resources, Ministry of Rural Development, New Delhi, has assigned the responsibility to undertake the Impact Evaluation Studies of **105 watershed projects from 7 Districts of Maharashtra State** namely, Sindhudurg, Yavatmal, Amravati, Satara, Sangali, Dhule and Usmanabad under Drought Prone Area Programme [DPAP] and Integrated Wasteland Development Programme [IWDP]. They provided grant of **5.25 Lacs** for above task.

During the year, we completed the Impact Evaluation Studies of watershed projects under DPAP & IWDP from **5 Districts** namely Sindhudurg, Yavatmal, Amravati, Satara and Usmanabad. The work of Impact Evaluation Studies of Dhule and Sangali District is in progress.

We also completed the mid- term evaluation of pilot project for DoLR as follows-

❑ Development of waterlogged and saline lands through Sub Surface Drainage under Technology Extension Development & Training Scheme [TEDT], in Kasabe-Digraj, of Sangali District.

❑ Development of waterlogged and saline lands through Sub Surface Drainage under Technology Extension Development & Training Scheme [TEDT], in Dudhgoan, of Sangali District.

❑ Reclamation of waterlogged wastelands through Integrated Watershed Development, under TEDT in Jambusar block of Baruch District, Gujarat State.

Key Achievements

❑ Organized the training programmes especially for Policy Makers including DPC members in view to streamline the Integrated Watershed Management Programmes in the state of Maharashtra.

❑ Successful orientation to **82 Policy Makers, 148 Administrative Officers, and 139 Master Trainers** on common guidelines 2008 for watershed development projects with valued support of **"Department of Land Resources [DoLR]",** Ministry of Rural Development, New Delhi.

❑ On the behalf of YASHADA, Dr. Rajendra Pawar is representing on "Vasundhara" State Level Nodal Agency for watershed development, constituted and registered by Govt. of Maharashtra.

❑ Developed the operational strategy for capacity building of different stakeholders under Integrated Watershed Management Programme [IWMP].

❑ VSLNA has accorded the sanction to the proposal for Capacity Building Programme in Preparatory Phase under IWMP [**Worth Rs1822.59 Lacs**].

❑ **"Vasundhara"** State Level Nodal Agency [VSLNA] has nominated **"YASHADA-Pune"** as **Apex Training Organization [ATO] for Capacity Building Programmes under IWMP.**

Provided help to VSLNA team to develop the Working Guidelines for Watershed Projects under IWMP.

Maharashtra Rural Employment Guarantee Scheme (MRNREGA)

Aim of training is to sensitize the concerned officers about Mahatma Gandhi National Rural Employment Guarantee Act, their role & responsibilities, and knowledge about the implementation procedure.

From the feedback of participants it is clear that YASHADA's training is not only helpful to the participants for getting knowledge and details of the scheme but also they get motivated. There appears to be reasonable positive change in the attitude. Many have expressed this at the time of valedictory session.

CENTRE FOR CO-OPERATIVE TRAINING AND RESEARCH

Introduction

The development of Cooperative movement is so spectacular that it has immerged as a very big sector in Indian economy contributing to the economic development of this country. Maharashtra has been in the forefront in the cooperative movement. With its success on one hand, the Cooperative movement has been facing severe criticism on other, only because of few instances of mis management, mal practices and failures in this movement. To enable the state to maintain its premier position in the country in this respect, the YASHADA had decided to give due emphasis to capacity building of all the stakeholders in the cooperative sector. With a view to ensure this and having regard to the fact that a large number of training programmes have been organized for the capacity building of officials and non officials of Co-operative Banks / Co-operative Credit Societies / DCC Banks/ APMCs, it was felt necessary to

establish a Centre for Co-operative Training and Research. The Centre for Co-operative Training and Research was established on 7th April 2004.

Mission

The mission of the Centre for Co-operative Training and Research is to facilitate human development in co-operative sector through continuous intervention by way of training, research and consultancy.

Activities

❑ Organizing sponsored training courses of officials & Non officials of District Banks/Urban Banks/Credit Societies/ APMCs/ Dairy Cooperatives/ Adivasi & Balutedar Societies etc.

❑ Organizing training programmes of the field staff of administration and audit wing of cooperative department.

❑ Conducting one day workshop on current situations for CEOs of Urban Banks. (Every month one such programme)

❑ Organising induction and foundation training for officers of co-operative dept.

❑ Training of trainers identified from urban co-operative banks/co-operative credit societies/APMC of all districts.

❑ Organizing training programmes for weaker section co-operative societies Viz.. Adivasi & Balutedar Societies under accreditation of the department of the personnel and training, Government of India of New Delhi.

Assistance to State for Control of the Animal Disease (ASCAD)

Assistance to State for Control of the Animal Disease (ASCAD) is a scheme by Govt. of India, and is being implemented in the state 2005-06 by the department of Animal Husbandry. Training Programmes for the Animal Husbandry officers in the department is one of the important factors in the Scheme as per the guidelines from the Government of India. These training programmes, seminars. Workshops (National & State Level) are being organized by the Department of Animal Husbandry with the assistance of YASHADA every year, satisfactorily.

State Institute of Urban Development

Contact:

Ms. Nasrin Siddiqui
Director
Tel.: (020) 25608210

Introduction

Over the next fifty years, the urban population of India is expected to cross the half way mark, leading to one of the greatest social, cultural, natural, environmental and political transformations in human history. The challenges of this inescapable urbanisation will be tremendous, especially for the urban managers of the future. It is in order to equip these urban managers that the Government of Maharashtra had the foresight to opt for urban training as far back as 1987, and set up a dedicated State Institute of Urban Development at YASHADA, Pune in 2003.

Objectives

❏ To equip urban managers to deal with the challenges of India's urban future

❏ To provide a high standard of University affiliated programmes for the continuing education of urban practitioners

❏ To deliver short term focussed training programmes, on urban infrastructure, municipal finance and resource mobilisation, public private partnerships, poverty alleviation, delivery of municipal services and urban environment management

❏ To provide the research and consultancy base for urban policy-making in Maharashtra

Training Activities

❏ Continuing Education Programmes with University Affiliation(APGDUM)

❏ eLearning Programmes for Urban Management (e-PUM)

❏ Foundation Training of COs

❏ Sectoral and Issue-based Training of Officers from Maharashtra (MUINFRA)

❏ Capacity building of Urban Managers from other States (J&K, Karnataka)

❏ Research and Consultancy projects (Social Accountability, Poverty Profiling)

University Course

Advanced Post Graduate Diploma In Urban Management (APGDUM)

Filling the gaps between theory and practice, which are not covered by short term training, SIUD YASHADA launched the APGDUM in 2006 in affiliation with the University of Mumbai, to cover the entire gamut of urban management issues in the Indian context.

State	Participants
Maharashtra	109
Tamil Nadu	51
Kerala	4
Andhra Pradesh	9
Registered	173
Graduated	51

It now has over 200 urban practitioners on its rolls from Maharashtra, Tamil Nadu, Kerala, and Andhra Pradesh and 69 have already graduated in the 4 examinations conducted so far.

The 8 modules of the APGDUM are:

❏ Urban Governance

❏ Municipal Management

❏ Urban Planning

❏ Urban Finance

❏ Urban Infrastructure

❏ Urban Poverty

❏ Urban Environment

❏ ICT in Urban Management

The APGDUM also includes a dissertation and these will build up a body of knowledge, both original and unique.

The highlight of each batch of APGDUM is a foreign visit, which took them to China in 2009.

From APGDUM to e-PUM

After the resounding success of the Advanced Post Graduate Diploma in Urban Management, SIUD YASHADA is developing an e-Programme on Urban Management (e-PUM) in collaboration with the World Bank Institute, Washington DC. The main objective of e-PUM is to provide the learner with a sound understanding of the various challenges and opportunities of urban governance in India today.

The five modules being developed for this programme include:

❑ Emerging Urban Scenario and its impact on Quality of Life

❑ Urban Governance: Evolution to Revolution

❑ Municipal Management and the new Urban Manager

❑ Infrastructure and Services

❑ Towards Inclusive Cities

We expect to launch it by November 2010.

Foundation Course For Probationary Municipal Chief Officers

Municipal Chief Officers are selected each year through the common examinations of the Maharashtra Public Service Commission. Since 2008, SIUD YASHADA has been entrusted with their Foundation Training Programme. At the end of the programme, trainees have to appear for a written examination, and their success in this exam is mandatory for confirmation in service.

This year the programme was started on 27th July 2009. However, due to the outbreak of swine flu, it had to be curtailed to 12 days. However, in the interest of the new recruits, arrangements were made to conduct a Refresher cum Examination later in the year. The Foundation Programme provided intensive training in the key areas of:

❑ Provisions of the MMC Act, MRTP Act, Land Acquisition Act, Right to Information Act 2005

❑ Maharashtra Civil Service Rules and Administrative Law

❑ Urban Planning (Development Control Rules, Traffic, Town Planning Schemes etc)

❑ Project Planning, Implementation, Monitoring and Evaluation

❑ Municipal Budgeting and Accounting

❑ Interpersonal Skills

❑ Disaster Mitigation

Training Programmes

During this year, SIUD has conducted 10 Training programmes on various subjects viz.

❑ JNNURM / UIDSSMT Reforms – mandatory reforms like Double Entry Accounting, e- Governance, Administrative Reforms

❑ Social Development of Marginalised Urban Groups – Tackling Urban Slums, MDGs

❑ Gender Budgeting – Concept, process, best practices

❑ Urban Poverty Alleviation Strategies– Sustainable Livelihood Framework

As urban infrastructure it is frightfully expensive, the involvement of the private sector has become inevitable. To overcome the resistance to Public-Private Partnerships, a series of programmes were conducted targeting small and medium towns outside the Mumbai Metropolitan Region, and at the end of this cycle, over 100 such municipalities will have been covered. Participants from various ULBs are given training on models of PPP, project planning, and financial evaluation of projects.

These programmes were sponsored by the Maharashtra Urban Infrastructure Development Company Limited (MUIDCL/ MUINFRA), a subsidiary of MMRDA, which is the State nodal agency for the Jawaharlal Nehru National Urban Renewal Mission – arguably, independent India's largest investment in its 5000 or so urban areas. In this year 4 programmes were completed and this will be continued in the next year.

Outreach Programmes

SIUD has conducted 8 outreach Training programmes at Shirdee, Parbhani, Digras, Sailoo, Pathari, Osmanabad, Kopargaon and Bhusaval, wherein over 300+ participants (staff and elected representatives) were trained. Topics covered were office procedures, property tax administration, land acquisition, tender procedures and MCSR.

SOCIAL ACCOUNTABILITY sponsored by the World Bank Institute, New Delhi

It is a commonly accepted principle of human development that the progress of Nations is possible only within a framework of good governance, marked by participation, accountability, responsiveness, transparency, inclusion, equity and rule of law. Against this background, Social Accountability has become increasingly important and has come to mean the constant vigilance by civil society to account government bodies for their actions and inactions.

The World Bank Institute, New Delhi sponsored a study on 'Social Accountability in the Indian Context'. The content included:

❑ Social Accountability - Conceptual Framework, Global Scenario and Indian Context

❑ Making Social Accountability a Reality

❑ Citizen Initiatives in Social Accountability

❑ Judicial Framework for Social Accountability

❑ Enhanced Transparency in Procurement

Workshops were also conducted on Enhanced Transparency in Procurement through Voluntary Disclosure under the RTI Act, (2005). Since, one third of public money is spent on procurement it becomes a vital area for maintaining absolute transparency. The workshop included sessions on

❑ Tendering procedures

❑ Contract Management

❑ e Tendering

Projects

The Ministry of Urban Housing and Poverty Alleviation, GoI through MHADA, has awarded SIUD a major research project, to delineate the Poverty Profile of the State of Maharashtra, based on detailed research in the cities of Nagpur, Nashik, Nanded, Pune and 6 small and medium representative towns.

SIUD hopes to break new ground in this project by emphasising the quality of life and human development aspects of urban poverty, and proposing poverty reduction strategies based on the sustainable livelihoods framework.

The major components of the study included preparation of City Poverty Profile, to acquire a holistic understanding of the state of poverty, human and social development in a city.

Training of Urban Managers

As SIUD YASHADA's reputation for quality urban training continued to grow, we were singled out for sectoral training for other States, such as:

❑ Training on Urban Governance, Project Planning and Management for Jammu and Kashmir officers

❑ Training on Urban Management, Town Planning, Land Laws, Project Management, Infrastructure for Karnataka officers.

Centre for Environment & Development

Contact:

Dr. Bharat Bhushan
Dean (Academic) & Professor
Tel.: (020) 25608155

Introduction

The Centre for Environment and Development (CED), established on 29 June 1996, has helped YASHADA position environment and development as a strategic training and applications intervention at the Academy. During the past fifteen years, the Centre has been facilitating training, research and administrative interventions at the district, municipal and State level within the Government of Maharashtra and the Government of India.

The training and applications programmes have focused on environmental concerns with perspectives on planning in rural, urban and infrastructure sectors for officials, non-officials, university academics and nongovernment organisations. The objectives of the Centre affirm the need for the State and National governments to enable training processes on environment management and development administration.

Objectives

❑ To develop training programmes and evolve modules on environmental protection, nature conservation and development administration, with emphasis on the rural and urban sector.

❑ To train, on a continuous basis, successive groups of government officials, elected representatives, non-governmental organisations and university academics on issues concerning environment and development.

❑ To develop research facilities, provide fellowships and resident scholarships to cadre officers and non-governmental organisations on issues concerning environment and development.

❑ To provide a forum for interaction for organisations and individuals to discuss and develop action plans for implementation of recommendations on environment and development.

❑ To develop at YASHADA, an electronic dial-in computer-based network and a geographic information database for government officials and non-officials, non-government agencies and universities, for information on environment and development administration.

❑ To organise workshops and seminars to focus on specific environment and development aspects and recommend interventions and /or changes in related policy issues to the Government of Maharashtra and /or local, state and national agencies.

Mandate

Essential focus of the Centre is (a) to strengthen YASHADA's training commitments, and the annual calendar of events, and (b) to provide on-the-field information and databases to integrate current case studies in future courses and workshops.

Training Activities

The training programmes by CED undertook a splendid transition from classroom programmes to major field research based activities; stakeholder participation and enabling an understanding of the natural resources based employment and self-employment activities. Since 1996, the Centre has been able to complete 756 training programmes, seminars and workshops under the aegis of the Academy. More than 27,000 officer and non-officer participants have attended these programmes.

PARIVESH Projects

The various projects undertaken by the Centre for Environment and Development are listed below –

1.   Maharashtra State Biodiversity Project

Child Rights & Development Studies

Contact:

Dr. Meenal Narvane
Associate Professor,
Tel.: (020) 25608152

Introduction

Child Rights and Development Studies Department (CRDS) established in 2005, formerly known as Child Rights Cell, is working for betterment of children and their rights. The focus is on protecting children's rights of education, health, and development and right to participation. CRDS has worked on wide range of projects since 2005 comprising of training, research and policy advocacy. To name a few are training and capacity building towards elimination of child labour, evaluation of Mid Day Meal Scheme in primary schools, evaluation of centers for education of out of school children under SSA, study of education of out of school girls in Nandurbar districts of Maharashtra, development of strategy for rehabilitation of migrant child labour and preparation of State Action Plan for elimination of child labour.

Apart from training and research in Maharashtra State CRDS has conducted training of officers from Madhya Pradesh, Gujarat, West Bengal and Delhi for elimination of child labour. CRDS has developed a tracking system for seasonally migrant children.

Objectives

❑ To appraise Government programmes and practices related to child rights in Maharashtra and to identify gaps in them;

❑ To investigate and innovate into areas related to child rights with a view to formulating comprehensive policy guidelines;

❑ To provide comprehensive training and research support to developmental efforts for socially and economically deprived children;

❑ To identify and develop local capacity for protection of children's rights;

❑ To study issues related to special protection for the most disadvantaged children - victims of war, disasters, extreme poverty, all forms of violence and exploitation, and those with disabilities;

❑ To act as a platform for building alliance of partners working towards protection of child rights; and

❑ To generate knowledge base in the area of child rights.

Training Activities

CRDS, on demand, conducted training of Personal Assistants in Mantralay on Performance Skills. The training programmes were focused on time management, stress management, communication skills, telephone talk and computer training. Similarly the officers from nanded Municipal Corporation were trained for office mamangement related aspects.

Projects

Capacity building of Child Welfare Committees (CWC) was one of the significant projects undertaken by CRDS. An information kit consisting of copies child related laws, Government resolutions, circulars, guidelines and postal directories and telephone numbers has been of immense help to CWC members. Regional training programmes for CWC members were arranged with a view to developing awareness about procedural aspects related to rehabilitation of children in need of care and protection.

Training of School Headmasters on Mid Day Meal was another project of CRDS. 50 Headmasters from each block of Maharashtra were trained under regarding care to be taken while demanding rice and cooking food, cleanliness aspects, disaster management, nutrition and community participation.

CRDS has provided consultancy to Aurangabad Municipal Corporation for developing child friendly city. Opening of 20 Resource Centers for children in Aurangabd city is the seminal step towards child friendly city development. The schoolteachers were trained for developing life skills among children.

Reports & Publications

The CRDS was engaged at various levels in Training, Research, Evaluation, Guidance and Publication.

❑ A booklet on Operational guidelines for child friendly cities

❑ Report of Evaluation of centers for out of school children

❑ Material kit for Child Welfare Committee members

Centre for Equity, Social Justice & Human Development

Contact:

Dr. Nidhi Pandey,
Director,
Tel.: (020) 25608150

Introduction

The Constitution of India was adopted in 1950 with the hope to create an environment of Liberty, Equity and Fraternity, in a democratic secular setup. It also guarantees the right to dignified life to each of its citizen. Variuos development according Constitional provisions have taken place to get rid of backwardness among weaker sections over T years. However, the major aspect of people's participation in their own development is seen missing. To address these issues and prevailing social reality, the Director, Department of Social Justice, GoM requested the Director General, YASHADA to establish a dedicated and exclusive "Centre for Equity, Social Justice and Human Development" in YASHADA.

The Centre was established on 22 January 2004 at YASHADA. The functioning of the Centre for Equity, Social Justice was started on 16th February 2004. Subsequently, the Centre was renamed as "Centre for Social Justice and Equity" and is now known as the "Centre for Equity, Social Justice and Human Development" (CESJHD). An Advisory Committee of the Centre, which consists of eminent personalities, social thinkers, academicians, scientists and activists, was established to guide and advice on the functioning of the Centre.

Mission

To facilitate Capacity Building and Mainstreaming of deprived sections of the society for attaining liberty and freedom for a Holistic Human Development.

Aims

❑ To enrich effective implementation of Constitutional Provisions benefiting to people through innovative research, training and sensitisation programmes.

Research

To achieve holistic human development, equity and social justice have to be inveterate giving first priority. Hence the development scenario can changed itself demanding government as well as people's participations in the process of development. Future of our country lies in our ability to use technology for betterment of people. Quality Human Social Network is an imperative part to achieve this. Making the Quality Human Social Network is not an easy task in intricate Indian scenario due to existence of cronical social backwardness, cast system, existence of poverty, regional development gaps and all types of exclusions to social, religious and economically marginalized segments of our society.

In liberalisation period, too, Government has initial role to eradicate these hurdles in the process of development otherwise mere private forces can not give the guarantee of development with equity and social justice.

Nonetheless, desired increase in public budget on education, health and human development purposes is not crop up during last 60 years partially due to shrinking role of government in the economy. Thus, the way left to achieve maximum success with available budget of social welfare is to bring competence at execution level with support of initial research and training is necessary. Government social welfare budget and plans will give desire results if these have strong research background: baseline research, feedback research and the research to improve efficiency, and have proper training and workshop based on Research and Training Need Analysis facilitating to execution officials and beneficiaries.

Understanding above scenario CESJ has initiated various type of research project aimed to give policy feedback to government, policy makers and to explore new development areas, which have strong forward and backward linkages. YASHADA has taken various initiatives in this regard. To achieve this task, following research activists are undertaken by CESJ.

i) Research Study Areas (Evaluation Research)

- ❑ Livelihood Schemes of TDD, SJD, VJNT
- ❑ Evaluation of SJD Schemes
- ❑ Evaluation of Development Corporations Schemes
- ❑ Evaluation of TDD Schemes
- ❑ Evaluation of VJNT Schemes
- ❑ Evaluation of W&CD Schemes
- ❑ Evaluation of Minority Development Schemes

ii) Action research Project

- ❑ Capacity Building of Sarpanch (Tribal Area)
- ❑ Self Employment for PwD's (Selected Dist.)
- ❑ Malnutrition
- ❑ NRHM
- ❑ Raj Mata Jijau Mission
- ❑ Sharv Shiksha Bhiyan

iii) Ongoing Research project

1. Minority Project
   a) Access to Credit to Muslims in specific areas of Maharashtra
   b) Diversity Index of Maharashtra
   c) Provision of Infrastructure and services in Muslim dominated areas of Mumbai city
2. Socio Economic Study of Mehter Community in Maharashtra
3. Socio Economic Study of Wadar Community in Maharashtra
4. SHG Survey
5. Special Component Plan
6. ICSD Research in Malegaon

Introduction

The Centre for Research and Documentation was established in YASHADA in 2004 with the vision of undertaking systematic research on critical social/ development issues and to act as a solution-provider to the Government. Since establishment, the Centre has endeavored to facilitate research based policy reform in the State of Maharashtra, creating structured and verified documentation on developmental issues and piloting new strategies/ models of development.

Objectives

1. To facilitate the necessary policy reform in the State through formulating research based policy recommendations.

2. To create a structured and verified documentation on developmental issues for effective planning, monitoring and evaluation of the Development process.

3. To enhance the quality and effectiveness of training of Development Administration personnel in the State of Maharashtra by feeding the research findings into the training process.

4. To enhance the research capabilities of the in-house faculty through internal training sessions in scientific research methods and research consultation.

5. To identify projects and consultancy opportunities, to negotiate the terms of reference for such projects, and to execute such projects with the help of internal and external experts and other requisite resources.

Key Units of the Centre

1. Project Units – These units are created from time to time based on the nature and duration of the sponsored project. Currently there are two project units –

    -   Centre for Community Managed Programming (Institutional Project Unit)*

    -   National Resource Centre on Urban Poverty (Institutional Project Unit)*

2. Project Monitoring Unit – This unit coordinates research activities across projects.

    (* Institutional Project Units are ongoing thematic cells)

Projects

Through the numerous projects undertaken by the Centre certain approaches have emerged prominently like – decentralized governance and concurrent monitoring. Though the concepts are well accepted they are functionally novel and hence require considerable research input and orientation of the existing government machinery to adopt these proposed approaches in governance. Accordingly several ongoing activities have been classified under the following broad categories -

1. **Concurrent Monitoring:** The need for concurrent monitoring in sectors of education, health, nutrition, livelihood, water and sanitation has been felt and emphasized in various forums. The purpose of a concurrent monitoring system would be to locate gaps in the existing service delivery and the changing needs of the beneficiaries on regular basis.

    Initiatives / Activities – Procurement of village level digital maps prepared by MRSAC and mapping of basic village level government infrastructure like - schools, anganwadi, health centers etc on the digital maps of Pune and Nandurbar District.

    Sponsoring Agency – UNICEF, Mumbai

    Partners – UNICEF, Mumbai, Riddhisoft and MRSAC

2. **Support to the Delivery Monitoring Unit:** A Delivery Monitoring Unit has been set up in the office of the Chief Minister of Maharashtra to closely monitor the performance of State departments, progress of various development schemes and programmes and the overall impact of the development process on the social, economic and human well being of the people of

Maharashtra. On the occasion of the Golden Jubilee year of Maharashtra a vision for the State is being formulated and DMU would align its activities to this vision plan.

Initiatives / Activities – A Core Group has been formed at State level, which is assisted by a Support Group under the Director General of YASHADA. The Support Group in YASHADA will have Thematic Think Tanks consisting of officials, domain experts, academics, NGOs, etc., to carry out tasks such as identification of monitoring indicators, setting up benchmarks for monitoring, formulation of data reporting formats, data analysis and interpretation, determination of action points, etc.

Sponsoring Agency – Government of Maharashtra

3. **Support for Integrated District Planning Process:** The Planning Commission, Government of India published the 'Manual for Integrated District Planning' in January 2009. YASAHDA made significant contribution in the preparation of the draft of the Manual. There are several areas of administrative and financial management at State, District, Taluka and Gram Panchayat level, which would require considerable redesigning to adapt to this paradigm shift. To assist the State government machinery to adopt this revised model of planning specific activities and projects were undertaken by the Centre -

   a. Translation of the 'Manual for Integrated District Planning' in Marathi Sponsoring agency - Planning Commission, Government of India

   b. Orientation of deputy secretary, additional secretary and joint secretaries of all departments of GoM on the proposed decentralized planning.

      Sponsoring agency – Planning Department, Government of Maharashtra

   c. Capacity Building of PRI members through Gram Panchayat based micro planning. During the micro planning process the Gram Panchayat members and the village community would be provided a field based training to develop a village plan in a participatory manner with the help of the PRA tools. This process of Gram Panchayat based participatory planning has been initiated select Gram Panchayats from 15 blocks of 3 districts of Nandurbar, Latur and Chandrapur in collaboration and financial support

from UNICEF. The village plans thus prepared could then be consolidated and forwarded through appropriate channel to Zilla Parishad to be submitted to the District Planning Committee. Thus this activity could make significant contribution in inculcating and promoting the cause of decentralized planning at the grassroot level.

Sponsoring agency – UNICEF, Mumbai

4. **Time bound sponsored projects of the Centre –** Apart from the above-mentioned initiatives the Centre has undertaken some thematic research projects on specific topics -

Initiatives/ Activities

   a. A study to understand the impact of seasonal migration on Child Rights has been undertaken in Akkalkuva and Khej Talukas of Nandurbar and Beed districts of Maharashtra.

      Sponsoring Agency – UNICEF, Mumbai

      Partners – Department of Anthropology, University of Pune

   b. The study of the Impact of Economic Recession on Urban Poor focuses on the specific phenomenon of recent economic recession, which expectedly has adversely affected the urban poor.

      Sponsoring Agency – Ministry of Housing and Urban Poverty Alleviation

      Partners – Departments of Economics and Sociology, University of Pune

   c. A study for identifying possible interventions at State level for poverty reduction and livelihoods promotion with a focus on disadvantaged groups, particularly women and children under the UNDP assisted project 'national Strategy for Urban Poor'.

      Sponsoring agency – UNDAF

Projects Proposed

Based on its current activities the Centre proposes to pursue a course of action in line with the previous year in the field of decentralized planning and concurrent monitoring systems.

Introduction

A special Cell of RTI was established at the Academy in March 2004, to train the Public Information Officers and Appellate Authorities of various public offices in the state for effective implementation of Maharashtra Right to Information Act, 2002. Ever since Right to Information Act, 2005 came in to existence Yashwantrao Chavan Academy of Development Administration YASHADA has been on the forefront of building Capacity and Imparting training for effective implementation of Right to Information Act, 2005. It has been accorded the status of, National Implementing Agency (NIA), (along with Centre for Good Governance, Hyderabad) by Department of Personnel and Training under the United Nations Development Programme (UNDP) project on 'Capacity Building for Access to Information (CBAI)'.

As NIA YASHADA has covered 28 states and developed 1550 State Resource Persons (SRPs) through out the country in collaboration with respective state Administrative Training Institutes under the project component.

Objectives

❑ To Organise training programmes, workshops and consultation meets related to RTI.
❑ To Develop training modules and reading materials
❑ To Carry out research and evaluation studies and documentation activities.

Mandate

As NIA programmes funded by UNDP for Capacity building for access to information in 26 states and 2 UTs and to conduct training programmes for the Central Government Officers.

As State Implementing Agency to carry out intensive Capacity building and dissemination activities.

Training Activities

GoM entrusted responsibility of training APIOs/PIOs/AA from districts and officers from various Directorates and Departments of the State Secretariat. 32,177 officers were trained in last three years.

Training Programmes were organized for Officers, staff & Officers of Municipal Corporations, Semi Government bodies, Citizens, Developing Animators for NGOs. Total 34 such training programmes were organized in which 1396 participants were benefited.

Activities

RTI Cell (YASHADA) has organized under Ford Foundation project:

❑ Workshops for NSS students and teachers on RTI Act, 2005 in collaboration with University of Pune

❑ Workshops for women of micro finance groups from rural & urban sector in collaboration with Mahila Arthik Vikas Maha Mandal Ahmednagar District.

❑ 7292 Participants were trained under these programmes

❑ For RTI awareness Mobile van was used in different villages of Ahmednagar district and pamphlets, formats of applications etc were distributed.

Projects

Debriefing workshops were held in Gurgaon (April 2009 – 30 Participants from Himachal Pradesh, Rajasthan, UTCs, New Delhi, Punjab, Haryana), Shillong (May 2009- 64 Participants from North East States), Lukhnow (February 2010 – 20 Participants form Sikkim, Bihar Orissa, West Bengal, Uttar Pradesh, Uttarkhand, Maharashtra, Zarkhand), Chennai (February 2010 – 22 Participants from Andhra Pradesh, Chattishgad, Haryana, Karnatak, Kerala, Maharashtra, Mizoram, Nagaland, Rajasthan)

State Project for training Assistant Public Information Officers, Public Information Officers was held in Aurangabad. Nearly 8000 Officers participated in it.

Various Government undertakings in Maharashtra have approached the academy to impart to their officers. RTI Cell

has developed 1 or 2 days training modules for such departments considering their specific needs.

Reports & Publications

Under the UNDP Project of "Capacity Building for Access to Information" RTI Cell prepared Reading Material:

❑ Revised edition of Handbook on Right to Information Act, 2005

❑ Book on comparative study of rules framed by Appropriate Governments and Competent Authorities under Right to Information Act, 2005 (E-Book)

❑ Case law Digest of important decisions of various high courts on Right to Information Act and matters incidental to it.

Policy Interventions

YASHADA RTI Cell examined the rules made by 28 appropriate governments, 7 union territories and 21 competent authorities. It included legality, reasonableness and appropriateness of various rules. The methodology adopted was following deskwork using web resources. A brief report in two parts was prepared. Part-I deals with rules prepared by the appropriate governments.

National & State level Workshops

After five regional debriefing workshops, two reorientation workshops of the State Resource Persons trained under the project from the respective states were organised to ascertain the implementation status of the project and various components implemented by the states. A total of 201 participants took part in these workshops. To further enrich RTI trainers in the country, two 2-Day National Re-orientation Workshops were held in Lucknow and Chennai during February 2010.

The major points emanating from the two National Workshops have been collected and collated under the head "Outcomes of the Workshops". The same has been categorized as:

❑ Difficulties faced by the States in the implementation of RTI Act, 2005

❑ Best practices adopted by various States.

A consolidated report on the deliberations and outcomes of the workshops was submitted to the Department of Personnel and Training, Government of India and the Centre for Good Governance, Hyderabad.

Centre for Power Sector Development

Contact:

Mr. Sumedh Gurjar
Director,
Tel.: (020) 25608149

Introduction :

Centre for Power Sector Development (CPSD) was commissioned in January-2007 to facilitate training, research & policy interventions in Power Sector at the State & National levels with Government, PSUs, Private Sector & Stakeholders. CPSD has undertaken Capacity building & Training Programmes for State Power Utilities, especially for speeding up Power Sector Reforms.

Training

During the year 2009-2010, CPSD has conducted 58 training courses / programmes and trained 1352 participants. Total no. of participant days were 16,880 (Annexures A & B).

Objective

To organise training programmes for officers at various levels. Programmes are like -

❑ Management Development Programme (MDP) : For Middle & Senior level Engineers of MAHAGENCO, MAHATRANSCO & MAHAVITARAN Companies (Sponsored Programmes)

❑ Project Management Programme (PMP) for the above officers. (Sponsored Programmes)

❑ Induction Level Programme for JEs of MAHATRANSCO (Sponsored Programmes)

❑ Distribution Reforms & Upgrades Management (DRUM) – Programme for Engineers of MAHAVITARAN and other Power Utilities in the Country (Partly sponsored by PFC & partly by Power Utilities).

❑ "Protection Systems & Testing" Programme for the junior & middle level engineers of MAHATRANSCO.

❑ "Developing Best HR Managers in MAHATRANSCO" for the middle & senior level Managers of Human Resource Department of MAHATRANSCO.

❑ "Electrical Safety & Accident Protection" Programme for the staff of MAHAVITARAN.

DRUM is co-sponsored by the Power Finance Corporation, New Delhi on one hand and the Power Distribution Utilities concerned in various States and the Country. Participants from Maharashtra, Karnataka, M.P., Gujrat, Punjab, Haryana & U.P. attended the Programme.

Projects

1. Management Development Programme (MDP)

CPSD launched this training Programme in the Year 2007 with an objective to develop management acumen in senior technocrats handling the three power sector companies in the State. The Programme is conducted in two phases. Phase-I comprises six days' actual training and Phase-II of 2 days' duration envisages presentations by the participants narrating as to how they have used the training input in management of their individual units. The trainee Officers are also given case studies on management problems and are asked to make presentations, in both, Phase-I and II.

CPSD has conducted 15 Phase-I and 2 Nos. of Phase-II (total 17 Nos.) Programmes of MDP for Managers of MAHATRANSCO, MAHADISCOM MAHAGENCO and PSEB during the year 2009-2010. With this, CPSD has conducted in all 48 programmes in MDP since inception in 2007 and trained in all 771 senior managers of power sector.

2. Project Management Programme (PMP)

Appreciating the necessity of equipping the managers of power sector with techniques in project management, CPSD has designed a Training Programme titled PMP and has been conducting it since beginning of the year 2007.

PMP also comprises of Phase-I and II components as is in the case of MDP. During the Year 2009-2010, CPSD has conducted 7 Nos. of Phase-I Programmes, taking the total tally since inception to 27 programmes and No. of participants to 441.

3. Distribution Reforms, Upgrades & Management (DRUM)

The Ministry of Power, GOI and USAID / INDIA have jointly designed this training programme with the purpose of

demonstrating the best commercial and technological practices that improves the quality and reliability of power distribution in the country. The Programme is in consonance with the GOI's Policy on Power Sector Reforms, Electricity Act-2003 and the Accelerated Power Development Reform Programme (APDRP). The Programme is partly financed by PFC.

CPSD has been conducting training courses under the DRUM Project on following three modules :-

❑ Best Practices in Distribution Loss Reduction

❑ Best Practices in Distribution Systems (O&M)

❑ Distribution Efficiency & Demand Side Management

The first two courses are of 5 days' duration & Third course is of 3 days' duration.

The modules of the courses are as per the design of Core, PFC & USAID. The courses are conducted strictly as per the guidelines & as per design of the course content specified in the modules.

During the Year 2009-2010, CPSD has conducted 10 DRUM Programmes covering all the three modules mentioned above. The cumulative total programmes conducted since inception of CPSD is 35 Nos. and No. of participants trained is 680 Nos.

4. Induction Level Training Programme

CPSD launched this programme in January-2007 for training the new entrant Junior Engineers of MAHATRANSCO. The need to take up this course was expressed by Shri Subrat Ratho, IAS, the then M.D. of MSETCL and was taken up at the instance of Shri Sanjay Bhatia, the then ADG, Yashada. During the years 2006-2007, 2007-2008, 2008-09 and 2009-10 CPSD trained 628 participants of this course.

The course comprises more than 100 classroom sessions on various technical topics covered in the syllabus which is prepared jointly by MSETCL and Yashada and ratified by the Central Electricity Authority. The classroom sessions also include soft skill topics such as Attitudinal Change and Behaviour, Time Management, Motivation and Team Building, Communication Skill, etc. Special Sessions on Disaster Management, Right to Information Act and First Aid.

In addition to the above, every batch of trainees was taken for field visits to vital installations related to EHV Transmission such as 400 KV receiving Stations, Load Dispatch Centre, Kalwa, 500 KV HVDC Terminal at Padghe, Power

Transformer manufacturing and repairing plant, manufacturing plant of EHV grade Circuit Breakers, Current Transformers, Lightning Arresters, etc. This gives a special insight to the fresh engineers into the working, design, manufacturing and maintenance of these vital equipments.

5. Electrical Safety & Accidents Prevention (ES&AP)

This was one more training course freshly launched during the year 2009-2010 by the CPSD. This 3 days training programme has been designed by the CPSD for JEs to Dy. E.E. of MSEDCL with consultation of ED (HR) MSEDCL. Three training programmes were conducted of this module during the period May – July, 2009. The training was attended by participants of Distribution Company. In all 49 participants attended the course during the year 2009-2010.

6. Protection Systems & Testing (PS&T)

CPSD launched a new six days' training programme titled "Protection Systems & Testing" for the junior and middle level engineer managers of MAHATRANSCO in the month of June-2008. This course was designed on the basis of training need expressed by the top management of MSETCL. They found that the engineers operating their Extra High Voltage Substations needed a special training on Electrical Protection of the network. The training included technical lectures relating to Electromagnetic, Electronic, Solid State and Digital Relaying Systems and Testing of various components. CPSD took this challenge and designed the course with the help of in-house faculty former Chief Engineer (EHVT) of MAHATRANSCO. Valuable suggestions were also obtained from the senior engineers currently engaged in this field in MAHATRANSCO.

During the years 2008-09 and 2009-2010, CPSD conducted 18 programmes of this module and trained 461 participants.

7. Developing Best HR Managers in MAHATRANSCO

The top management of MAHATRANSCO desired that a Training Course in Human Resource Development be designed and conducted by CPSD, Yashada, for their HR Managerial Staff. They desired that six batches of this course be conducted to start with. Accordingly, the course was designed by consulting various experts in the field as also officials of MAHATRANSCO. The CPSD conducted six courses of three days' duration each, the first one in June 2009 and last sixth in January 2010. The total number of participants trained during the year 2009-2010 were 133.

Introduction

The library of YASHADA has its origin in Administrative Staff Collage (ASC), in Mumbai. The purpose was to facilitate the training activities of the ASC. When the ASC shifted to Pune in 1994 with new name Maharashtra Institute of Development Administration MIDA the collection of books also shifted to the new location at Raj Bhavan in Pune.

The first book was recorded in the register on 14/10/1963 and till today (31/03/2010) we have **45472** books on register.

The library houses collection of various documents covering core subjects like Public Administration, Rural Development, Good Governance, Computer Applications, Management, Gender, Women and Child, Old Age, Self Help Groups, Cooperative Movement, Social Justice, Finance, Administrative Reforms, Human Rights, Environment, Disaster Management, Demography, Ageing, Water Conservation, Urbanization Child labour, TQM, Leadership, Time Management, Personality Development etc.

Library also has special collection of State and Central Government Acts and Government Documents like Rules, Handbooks, and Committee Reports etc.

Library also possesses a good collection of English and Marathi fiction and biographies of eminent personalities of the world.

Objective

YASHADA library's mandate is to support the on going training programmes, research projects and cater to the documentary as well as informational requirements of the participants.

Support for Training

In order to optimize the utilization of the library facilities by the course participants and the faculty members the library is kept open for 13 hrs on every working day. The purpose is to make the library facility available even after the office hours.

Library is open from 9.00 AM to 10.00 PM on all working days (Sundays Closed)

The library facility is being used by the course participants and the faculty and staff members of YASHADA. Faculty members are given membership during their period of service in YASHADA.

Library offers temporary membership to all course participants. The participants use library facility for reference and issue of books.

Membership

The officers who wish to retain their membership even after the training programme can become a member by paying annual fees and deposit for the books. The deposit is Rs. 200/- per book and the annual fees is Rs. 250/- The facility is made available, on the recommendation of faculty members of the Academy, to the guest faculty and other State Government officers and executives in and around the Pune city. At present we have 814 members on the register.

Our library offers a special membership to the senior officers in service.

Infrastructure

Library is adjacent to the Academic block, which makes easy the access to it by the course participants. Similarly, the entrance from the 'Parambi' is also gave special look and highlighted importance of the library in the Academy.

Library has following internal functional sections for activities:

1. Book Issue Receipt counter – Near main entrance.

2. Study Room for ACEC Students – The AC study room is kept open for 24 hours and is used only by the students of ACEC.

3. Faculty Study Room - A elegantly decorated AC study room exclusively for the use of faculty of YASHADA with Wi-Fi facility.

4. The central hall of the library houses the main collection on 22 Racks. There is also a help desk and

8 Internet connected Thin Clients for the use by participants and other library visitors.

5. West side of the central hall of the library is used as working space for processing of books etc.

6. A Journal and Reference section of our library is situated on the first floor within the library. A TV with DVD player is also kept there for the use of the faculty members.

7. There is an internal room for storage old newspapers etc. within the library.

To meet the expectations of the library users and to manage the growing collection of books and other documents computerization was necessary. With the urgent need of accessibility of library catalogue from the working place of the faculty and staff a in the year 2004 upgraded web enabled version of the software LibSys 4 was installed on new Linux server. The dedicated server is exclusively reserved for library. Thus Online Public Access Catalogue (OPAC) was made available through intranet. Subsequently, training programmes and instructions for using OPAC were made available to all faculty and staff. Since year 2001 all books are bar coded along with the user cards so as to facilitate fast and error free issue receipt of books.

Networking with other Libraries

Our library is a member of PUNENET – A network of libraries in Pune city. YASHADA library has provided services of Interlibrary Loan to its users by providing Institutional Membership of :

1. The British Library, Pune.

2. Jayakar Library (Pune University, Pune)

The library has been designated as **"Repository Library for Government of Maharashtra"** A special section within the library is kept reserved exclusively for this purpose. The important publications and GRs of various departments are being received by the **Repository Library**.

Additional Services

All the activities of the library are carried out in accordance with the ISO procedure manual as described in the SOP Library manual.

Apart from collection of documents the library also provides :

❑ Photocopying service

❑ Bibliographical service

❑ Reference service

❑ Newspaper clipping service

❑ Article indexing service

❑ On line search of library database

❑ Audio visual and Internet facility

Book Club Activity

With a view to provide a platform for exchange of ideas as Book Readers and make our library more user oriented a YASHADA Book Club was formed and the first meeting of the Book Club was held on Monday, 20th October, 2003. Many officers, retired officers, library users attended the meeting. YASHADA book club was started with a vies to provide an academic platform to the Government Officers in and around Pune. It also provide us to interact with the library users in a informal atmosphere to know their expectations from the library.

The objectives of the Book Club are as follows:

❑ To rejuvenate intellectual atmosphere in YASHADA

❑ To encourage reading habits and interaction amongst government officials faculty and friends of YASHADA

❑ To exchange ideas and books

❑ To disseminate knowledge and information

❑ To foster a culture of reading which serves as foundation for research

In Book Club meetings the users of the library and the book lovers discuss about new titles and ideas, which they have came across and read recently. Generally, if a book is worth sharing the user would like to talk about it so that the others would also like to read the same if found interested. The book club has now become a regular activity of our library.

During the year 8 experts made presentations & meetings were attend in big no. by book lovers from the academy as well as from outside.

Training Monitoring Cell

Introduction

The Training Monitoring Cell (TMC) at YASHADA plans, coordinates and monitors the conduct of training programmes, workshops, seminars and other related activities.

Hostel Accommodation

A software for enabling establishment of effective Hostel Management System was developed with the help of NIC which was made functional immediately.

The Academy's Officer desiring to make advance booking of hostel rooms for their participants, guest speakers and dignitaries visiting YASHADA can interact with this system using internet facilities established in the campus.

This software has many good features and enables the Academy's officers to have various kind of information related to hostel management at the Academy. It's menu includes items like.

- Room status
- Check-out Report
- Beds Occupied Report

- Show Advance Booking
- Course Report
- Tariff Plan

- Check-in Report
- Annual Report
- Search Occupant

In the year 2009-2010 all Double occupancy rooms in three hostel blocks namely Shamee, Jubilee and Durva. This has enabled to accommodate 200 Person at a time in three hostel blocks.

Centre for Audio Visual Production

25 Years of Excellence through learning

Contact:
Mr. R. G. Rao
Officer In-charge
Tel.: (020) 25608158

The Centre for Audio- Visual production (CAVP) was set up in YASHADA. The object of CAVP is to cater audio- video equipments in the training program whenever it needs. In the long run, it was envisaged that CAVP would be used for in- house production of Audio- Visual training aid material and documentaries.

At present, the function is a central repository of all essential hardware instruments and gadgets to provide assistance to the Course Directors, for incorporating audio – visual data stored (CD) presentations with help of LCD projectors and transparency based data presentation by Over Head Projector.

Satellite system is established in YASHADA under BRGF Project to monitor distance learning & live UGC conferences and questioners.

Multiplex CD copying of documentary films and reading material. Another very important function of the CAVP is to arrange a proper PA system in the training classroom and out door cultural programme.

All types of cameras are available in the CAVP for live shooting, essential work photography and participants group photo.

The following Audio- Video equipments of CAVP as described in table are in good condition, being maintained and used regularly in the YASHADA training programmes and other activities.

Analysis of Training Programmes

Analysis of Training Programmes

Introduction

The Training Monitoring Cell (TMC) at YASHADA plans, coordinates and monitors the conduct of training programmes, workshops, seminars and other related activities.

Functions

- ❑ Coordination of the Annual Programme Calendar (APC) of the Academy.
- ❑ Monitoring the conduct of Training Needs Analysis (TNA)
- ❑ Monitoring the day-to-day conduct of activities and documentation thereof.
- ❑ Facilitating use of the Training Management Information System (TMIS) on YASHADA's Intranet
- ❑ Establishing archival record of
  - ❍ Design of Training – DoT
  - ❍ Programme Completion Reports
  - ❍ Programme Evaluation Reports
  - ❍ Use of DAC & MDC Hostels

Coordation

TMC monitors the implementation and use of the intranet based Training Management Information System by the faculty. Monthly reports establish the periodic status of the APC and help in tracking specific activities.

Faculty and Academic Review

The TMC also enables review and approval of Training Needs Analysis (TNAs) and Design of Training (DOTs) within the Academy. Subsequently, training and related academic activities are reviewed on a monthly basis during meetings of the faculty and the Academic Council. The meeting agenda and related process are monitored through established methodology within the Academy's ISO Manuals.

Representative Agenda of a Faculty Review Meeting

- ❑ Review of Annual Programme Calendar
- ❑ Review of Faculty MIS
- ❑ Discussion, feedback and action taken regarding training programmes, Faculty MIS and CMIS
- ❑ Training and Residential Facilities
- ❑ Review of internal audit / external audit
- ❑ Faculty feedback about completed training programmes
- ❑ Review of evaluation reports, action taken and client orgranisation's feedback
