1) **INTRODUCTION:**

Yashwantrao Chavan Academy of Development Administration (YASHADA) is the Administrative Training Institute of the Government of Maharashtra and meets the training needs of government departments and rural and urban non-officials and stakeholders. Human resource development has traditionally been one of Maharashtra's major strengths.

2) **INVITATION FOR QUOTATION:**

Yashwantrao Chavan Academy of Development Administration (YASHADA), Pune has invited the sealed quotations from manufacturers / Supplier / contractor who has experience to Design, Manufacture, Supply, Installation, Testing & Commissioning of Solar Steam Cooking System with Dual Axis Tracing with Solar Hot Water Generator. Which Can Cook for 180 People.

3) **INSTRUCTIONS TO MANUFACTURER / SUPPLIERS:**

   a. The Bidder shall be a registered manufacturer / supplier / Dealer who has a minimum experience of 500-person Steam Cooking Plant or 1000 LPD SWHS to Design, Manufacture, Supply, Installation, Testing & Commissioning of Solar Steam Cooking System with Dual Axis Tracing with Solar Hot Water Generator. Which Can Cook for 180 People in the State of Maharashtra.

   b. MNRE / NABL Approved Test Certificate from Manufacture for Solar Steam Cooking or solar Hot Water Generator as per given in the quotation document, satisfying the specifications.

   c. The Turnover certificate from CA (chartered accountant) for any three financial years out of 2018-19, 2019-20, 2020-21 & 2021-22 showing annual minimum turnover related to Solar Steam Cooking or solar Hot Water Generator business not less than Rs.20 Lakh per annum. Turn-Over of Joint Venture /Partnership will not be considered. (No Balance Sheet shall be uploaded).

   d. Bidder shall have experience of similar work i.e. Design, Manufacture, supply, installation, testing, commissioning, & maintenance of Solar Steam Cooking System or solar Hot Water Generator executed at least work value of 20 Lakhs for any three financial years out of (2018-19, 2019-20, 2020-21 & 2021-22).

   e. Firm GST Certificate.

   f. Firm Pan card

   g. Shop Act or Firm Registration Certificate.

   These criteria shall be strictly followed. Bidder should quote only if he is eligible.
4) **TECHNICAL SPECIFICATIONS:**

1. **SITE REQUIREMENT:**

   a. The system could be installed on the terrace / open ground where the shadow-free area is available. The total shadow-free area needed is 110 sq. mtr. site.

   b. Dishes of 10 sq. mtr would need to be installed along the East-West Axis of the building. The shadow-free area required to accommodate the Steam Cooking System with Solar Hot Water Generator is 5 mtr in the East-West direction and 2 mtr in the north-south basically 10 sq.mt shadow-free area is required to install the system.

   c. To generate hot water at 90 degrees centigrade for Steam Cooking System with the help of LPG/Electric back up to Boiler for total 300 people, approximately 10 sq. mtr. of concentrator reflecting area is required and it could be done with 1 dish /concentrators of 10 sq.mt each.

2. **COMPONENTS, AS PER MNRE SPECIFICATIONS:**

   **I Parabolic Dish :**
   a) Parabolic Concentrators with Dual axis tracking
   b) Reflector frame of 10 sq.mt
   c) Rotating support
   d) Upper stand
   e) Wt. Per Dish 150 Kg.
   
   Material of construction: Mild steel

   **II Central Tracking System :**
   a) Winch
   b) Electronic controller
   c) Electronic Timer and relay
   d) D.C. or AC Drive-motor
   e) Gear box
   f) Wheels on brackets on stand to guide wire ropes
   g) Counter Weights to balance and drive the tracking

   **III Steam Header :**
   a) Steam Tank
   b) Receiver
   c) Steam Pipe Line and feed water lines and valves
   d) Water level indicator.

   **IV Steam Pipe Line (branch) & feed water pipe line :**
   a) Steam pipe lines
   b) Raw Water pipe line
V Steel Structures:

Support Structures for
a) Steam header
b) Stands of Solar system
c) Steam, feed water pipe lines,
d) Feed water tank
e) Central tracking system and winch

VI. Steam back-up system:

As no boiler exists a NEW BOILER with proper rating as back-up system would have to be procured by you so that steam generation during non-sunny day.

VII. Installation and Commissioning:

The system will be supplied on turn-key basis - except for the civil work, which will be done by Bidder under our supervision.
The system will be hydro-tested to confirm that there are no leakages in joints. After that trial runs would be undertaken by us on site to confirm the output and integration of system.

VIII. Insulation of pipelines and feed water tank:

The pipelines, receivers etc. would be insulated to reduce radiation losses to ensure that max steam reaches the kitchen.

5) Monitoring of system and spares:

System will be monitored mainly by YASHADA, Pune, manufacturer and MEDA officials. The user also intends to enter it to operation and maintenance contract (CMC) with the installer after the warrantee period of one year. The sufficient training will be imparted to user for daily monitoring and day to day operation. Necessary spares will provided by the manufacturer in 5 years CMC period.

6) Scope of Work:

The Scope of Work shall be as under,
a. The Scope includes Design, Manufacture, Supply, Installation, Testing and Commissioning without five years’ comprehensive maintenance contract of Solar Steam cooking system with dual axis tracking system for 180 Person at Kojagiri mess with Back up LPG fired Boiler system at Yashwantrao Chavan Academy of Development Administration (YASHADA), Pune in the state of Maharashtra on “Turnkey” Contract Basis.
b. The Bidder shall handover the material to Yashwantrao Chavan Academy of Development Administration (YASHADA), Pune and see that the entry is made in their register with unique
serial number. Once the entry is made, the Bidder shall start the installation and commissioning activity.

c. The selected Bidder shall supply Marathi Operation and Maintenance Manual (One copy) to Yashwantrao Chavan Academy of Development Administration (YASHADA), Pune.

d. Design, Manufacture, Supply, Installation, Testing and Commissioning with five years’ comprehensive maintenance contract of Solar Steam cooking system with dual axis tracking system for 180 Person at Kojagiri mess with Back up LPG fired Boiler system at Yashwantrao Chavan Academy of Development Administration (YASHADA), Pune. The install system shall be guarantee for the period of 5 years.

e. Any additional works not covered above, but necessary for the functioning of the Solar Steam Cooking System with solar hot water generator and required as per specification incorporated. The items of minor nature, which are not mentioned, shall be incorporated by the Bidder.

f. The successful Bidder shall be required to submit completion report / certificate certified by Yashwantrao Chavan Academy of Development Administration (YASHADA), Pune. after the execution of work on projects and performance report after commissioning on quarterly basis till completion of 1 year warranty period.

g. Responsibility of Bidder :- In 5 years of CMC Bidder has to visit once in month for preventive maintenance and as and when required for breakdown maintenance duly informed by Yashada vide telecommunication or by email. For the same Service Report after visit shall be submit to Estate Department Yashada.

h. The Bidder shall submit 1 hard and 1 soft copy of photographs of Solar Steam Cooking System with solar hot water generator.

7) General Terms and Conditions:

a. Material: The material used for the work shall be new & best quality available and work shall be carried out with best workmanship. The material used and works carried out shall be as per IS wherever applicable.

Certificate: The vendor shall furnish, at its own cost, test certificate for the various material and equipment / items as called for. Such certificate shall be from the manufacturers for the particular consignment / lot / piece and shall be duly authenticated by respective consultants.

b. Utilities: Water and Power during construction and operation at the site will be provided by YASHADA free of cost.

c. Packing: The Bidder shall provide such packing of the Goods as is required to prevent the damage or deterioration during transit to their final destinations indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage.
Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Good's final destination and the absence of heavy handling facilities at all points in transit.

d. **Delivery and Documents:** Delivery of the Solar Steam Cooking System with Solar Hot water generator material and completion of works should be made within **60 days** from the date of placement of purchase order. The Bidder shall notify the purchaser and the insurance company by cable / telex / fax / email / phone the full details of the shipment including contract number, railway receipt number/AWB etc. and date, description of goods, quantity, name of the consignee, invoice etc. The Supplier shall mail the following documents to YASHADA & MEDA with copy to the insurance company:

i) Copies of the Supplier invoice showing contract number, goods' description, quantity, and unit price, total amount;

ii) Acknowledgment of receipt of goods from the consignee(s) by the transporters;

iii) Insurance certificate, if any.

iv) Manufacturer's / Supplier's warranty certificate;

v) Certified Joint Inspection Report of YASHADA, MEDA & Bidder

e. **Insurance:** For delivery of goods at the purchaser’s premises, the insurance shall be obtained by the Supplier to an amount equal to 100% of the value of the goods from "warehouse to warehouse" (final destinations) on "All Risks" basis including War Risks and Strikes.

f. **Transportation:** Where the Supplier is required under the Contract to transport the Goods to a specified place of destination including insurance, as shall be specified in the Contract, shall be arranged by the Supplier, and the related cost shall be included in the Contract Price.

8) **SECURITY DEPOSIT :**

a. Bidder shall furnish security deposit at 3% of the total contract value within 15 working days after the date of issue of LoA by way of demand draft / Bank Guarantee (as per annexure 3) of nationalized bank / Scheduled Bank in favor of Director General, YASHADA, Pune.

b. Failure to comply with the terms of security deposit shall result into cancellation of work order without any further intimation to Bidder and the EMD shall be forfeited.

c. The security deposit shall be liable to be forfeited wholly or partly at the sole discretion of the YASHADA, if the Bidder either fails to execute the work of above projects or fails to fulfill the contractual obligations or fails to settle in full his dues to the YASHADA.

d. In case of premature termination of the contract, the security deposit will be forfeited, and the YASHADA will be at liberty to recover the losses suffered by it & if additional cost is to be paid, the same shall be recovered from the Bidder.

e. The YASHADA is empowered to recover from the security deposit for any sum due and for any other sum that may be fixed by the YASHADA as being the amount or loss or losses or damages
suffered by it due to delay in performance and/or non-performance and/or partial performance of any of the conditions of the contract and/or non-performance of guarantee obligations.

f. The security deposit shall be released to the Bidder only after the project is successfully installed and commissioned.

9) TERMS OF PAYMENTS:

Payment will be released as follows.

1. 60% of the cost will be released on supply & successful installation of solar steam cooking system with solar hot water generator and after submission of following documents,
   a. Proof of compliance certificate from Authorized User Agency.
   b. 100% Inspection of Successful Installation report duly certified by Authorized User Agency YASHADA, MEDA Official & Bidder in the Prescribed format
   c. Invoice (2 copies).
   d. Photographs with Lat, Long & date.

2. 20% of the cost will be released after Successful commissioning of solar steam cooking system with solar hot water generator & submission of one-month performance report duly certified by Authorized User Agency YASHADA, MEDA Official & Bidder in the Prescribed format.

3. 20% of the cost will be released after Successful commissioning of solar steam cooking system with solar hot water generator & submission of next two-month performance report duly certified by Authorized User Agency YASHADA, MEDA Official & Bidder in the Prescribed format and submission of Performance Bank Guarantee of Nationalized / Scheduled Bank of Rs. 50,000/- valid for 1 year from the date of successful installation and commissioning of the systems.

4. Performance Bank Guarantee amount shall be revoked in case of non-performance of Solar Steam Cooking System & Solar Hot water generator inspected by YASHADA / MEDA and not attended by the Bidder within two weeks.

5. The TDS and all applicable taxes will be deducted as per the Govt. rules and regulations.

6. YASHADA will issue necessary certificates of TDS deduction

7. Operation and maintenance cost (Technical person should be visit once in a month) Per year is not be paid above than 4.6 % of Total project cost and GST shall be paid extra as applicable at the time of bill payment up to CMC period i.e. 5 Year’s

8. CMC bill payments shall be paid half yearly after successful completion of maintenance work

10) RETURN OF PERFORMANCE BANK GUARANTEES SUBMITTED BY BIDDER:

The Performance Bank Guarantee shall be returned after completion of 1 year warranty period and submission of required documents during period.
11) **TAX INVOICE TO BE SUBMITTED ON PRINTED FORMS:**

The successful Bidder shall submit all tax invoices in duplicate only on printed form to YASHADA, Pune.

12) **Price Variation, Taxes, Duties & Levies etc.**

Bidder shall take care of variations in prices/taxes/duties/levies of the materials, labors, supplies etc. and quote the price is expected to cover all such variations. YASHADA shall not entertain any addition in project cost during the project execution phase.

13) **Inspection & Testing**

Bidder shall procure the standard quality materials complying with the relevant IS standards. The inspection and testing of the materials purchased will be the responsibility of Bidder. The Bidder shall have to submit the test certificates and inspection reports of the equipment's.

14) **Judicial Jurisdiction:**

All disputes arising out of and touching or relating to subject matter of the Agreement / Contract shall be subject to jurisdiction of local courts of (Pune) and the High Court of (Bombay).

15) **TIME FRAME:**

The time frame for the completion of work in all respect is 60 days from the issue of work order.

16) **Applicable Law:**

The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction in Pune, Maharashtra.

17) **Rejection Terms:**

Incomplete, conditional, fax, late quotation will be rejected summarily. YASHADA, Pune reserves the right to reject any or all the quotations at his discretion without assigning any reason thereafter.

18) **Site Visit:**

It is mandatory for the Bidder to visit the site and obtain all the required information before submitting the BID document. Site visit report should be duly signed by Authority of beneficiary Dept. (YASHADA, Pune) & Bidder as a part of the technical BID as per the Annexure 2.

**NOTES**

a. YASHADA, Pune will evaluate all the options and activities mentioned above and reserve the right to award the contract for the most feasible and cost effective option and activities.
b. YASHADA, Pune reserves the right to accept or reject any or all applications without assigning any reasons.

c. Offers with incomplete information are liable to be rejected, which may be noted.

d. The sealed quotation documents should reach this office up to the Date 31/03/2023, up to 3.00 PM at following address, the quotation received after the due date and time will be out rightly rejected.

Sir,

This has reference to above subject for Design, Manufacture, Supply, Installation, Testing & Commissioning without 5 Years CMC of Solar Steam Cooking System with Dual Axis Tracing for 180 Person at Kojagiri Mess with Back Up Lpg Fired Boiler System at Yashwantrao Chavan Academy of Development Administration, Pune, Dist. Pune in the State of Maharashtra. I / We hereby declare that we have visited site and enclosing the survey form duly signed by the representative of the consumer.

I / We made ourselves acquainted with site conditions, approach to site, requirement of conditions, availability of water, requirement of Project conditions etc.

I / We verified all details required to execute the projects. I / We have no problems in undertaking the projects and complete them in the given time period as per required specification & terms and conditions of the tender.

Thanking you

Yours faithfully,

Dear Sir.

Whereas you intent to enter into a contract, as per your Letter of Intent, Reference No.__________________ dated ________ (Hereinafter referred to as "the contract") with M/s _________________ as vendor for the supply of ________________ defined in contracts schedule, (hereinafter referred to as "the goods/services") and whereas the vendor has undertaken to produce a performance cum warranty bond for amount of Rs._______________ being equal to___% of the total contract value of the goods / services to be delivered as specified contract No ____________________ dated ________ referred to as "contract to secure its obligations to the beneficiary with respect to the goods specified in the invoice.

1. We _________________ (Name of the Bank), hereby expressly, irrevocably, and unreservedly undertake and guarantee as principal obligators on behalf of the Seller that in the event that the beneficiary submits a written demand to us stating that the Seller has nor performed according to the terms and conditions of the contract, we will pay you on demand and without demur any sum up to a maximum amount of (5% of the contract value). Any claims must bear the confirmation of your bankers that the signatures thereon are authentic. Your written demand shall be conclusive evidence to us that such written demand. For the avoidance of doubt any documents received by way of facsimile or similar electronic means is/are not acceptable for any purpose(s) under this guarantee.

2. We shall not be discharged or released from this undertaking and guarantee by any arrangements, variations made between beneficiary and the seller or any forbearance whether as to payment, time performance or otherwise.

3. In no case shall the amount of the guarantee be increased.
4. Unless a demand under this guarantee is received by us in writing on or before the expiry date (unless this guarantee is extended by the seller), all your rights under this guarantee shall be forfeited and we shall be discharged from the liabilities hereunder.

5. This guarantee shall be a continuing guarantee (which means guarantee will also be valid if the bank is in under liquidation or bankruptcy) and shall not be discharged by any change in the constitution of the bank or in the constitution of the Seller.

6. Please return this letter of guarantee immediately after our liability thereafter has ceased to be valid.

7. Our liability under this guarantee will cease to be valid even if the guarantee deed is not returned to us.

8. This guarantee is personal to the beneficiary and not assignable to a third party without our prior written consent.

9. This guarantee shall be governed by Indian Law. This guarantee is valid until the mention date ____________
